GRADUATE STUDENT FINAL PORTFOLIO

Final Portfolio: For this assignment, your task is to develop a teaching notebook that is appropriate for use in providing undergraduate instruction of the subject "leadership of learning organizations." Therefore, organize your portfolio to include:

1. Notes from the undergraduate class ALED 342
2. Theory substantiation found on your own that support the class notes
3. Teaching practices used in class or new ones you have created

Your portfolio should be presented in a professional manner (written notebook, electronic disc, etc.) and should be useable (you could actually use it to teach a class)
