Question 3

God gives the prophet Ezekiel a vision of his glory in Ezekiel 1:1-28. How does Ezekiel describe the vision in vs.4-10?

While in vision, Ezekiel sees a chariot streaking across the sky with flaming wheels and inside was the God of Heaven seated upon the throne. As the chariot approaches, a mighty whirlwind appears; lightning streaks across the sky; the earth began to quake; and fire and flames light up the sky.

Like a whirlwind... a great cloud, and a fire... a brightness was about it, was the color of amber, out of the midst of the fire. It had four faces, and every one had four wings... their feet were like the sole of a calf's foot... sparkled like the color of burnished brass... Their wings were joined one to another... their faces, they four had the face of a man, and the face of a lion... the face of an ox on the left side... the face of an eagle.

Tell us about that “wheels” in vs.15-16 and vs.19-21. What do they represent?

Ezekiel describes the chariot as a “wheel in the middle of a wheel” with a vessel turned upside down, and on it sat the Son of Man. In his vision, God is revealing to **his chosen people they will return to the land promised to them through their Father Abraham**; and that the city of Jerusalem would be cleansed of sin, and evil will be destroyed.

And when the living creatures went, the wheels went... when the living creatures were lifted up from the earth, the wheels were lifted up... whithersoever the spirit was to go, they went, thither was their spirit to go; and the wheels were lifted up over against them: for the spirit of the living creature was in the wheels.

What message does God reveal to Ezekiel about the “wheel in the middle of a wheel v. 14-16?”

The “wheels” represents "cyclical" or "return to the beginning." Whereas, **"a wheel in the middle of a wheel" points to the connected relationship that exists with all descendants of Father Abraham through His "seed" across the ages of time**

And the living creatures ran and returned as the appearance of a flash of lightning. Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures, with his four faces. The appearance of the wheels and their work was like unto the color of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel.
