

# Lake Area Radio Control Society Gulf Coast Pattern Championship

April 22<sup>nd</sup> & 23<sup>rd</sup>, 2017

Bo Hinch Field / LARKSRC.ORG

Sulphur, LA

Latitude: 30.131483 \*\* Longitude: -93.405817

- Pilot's meeting and opening ceremonies begin at 9:30am Saturday
- FAI will fly P-17 on Saturday and F-17 on Sunday
- Sportsman class (401) allowed to fly any AMA legal fixed wing aircraft
- Registration Fee \$35.00; awards to 3<sup>rd</sup> place in all classes
- Concessions will be available for purchase Friday through Sunday
- Field has 600 foot paved runway with unobstructed approaches both directions, an air conditioned club house, numerous 4X8 tables, electricity and indoor restrooms
- The field will be open Friday for practice. RV parking available on site with 4 electrical hookups (1st come basis), more than enough room for 50 + self-contained campers (if field is dry). Cost is \$10 per day for electrical hookup.
- Field is fenced, call if you plan to arrive before Friday morning and will need access for camping or flying.
