Survey of Member Resources

For VGS Members Only

The Village Genealogical Society is compiling a list of the personal resources of the VGS members. This will include lists of genealogy related books, CD-ROMs, videos, etc., that are in a member's personal holdings that may be helpful to other VGS members.

Currently, the VGS Board Members have compiled their personal resources. Our goal is to compile a list, on a voluntary basis, of all of the member's resources.

If you wish to borrow or access information from a listed item, please contact the noted member. Consult your membership list for contact information. The attached list is searchable.

If you would like to contribute a list of your personal holdings to the Resource List, please contact Paul Harkins at 922-6498 -- he will be continuing the updating of the Resource List. If you do not want to loan your listed items, then please be willing to look-up information for your fellow members.
