Blazing Saddle Officers are President Roger Brandt and Vice President Luke Abraham. Congratulations on your new Offices!! Group members need to be thinking about possible fund raisers and activities for the year. The more we build, the more we can do with awards and scholarships!!!

REMEMBER: For all you college students and High School Seniors you can apply for the scholarships contact Skip or Jim.

We constantly struggle to get a cattle count on Sundays. We want to have fresh cattle for all classes, but without your help by signing up early in the day we either end up not having enough or having to pay for cattle we didn't use. **It is imperative that you sign up or scratch early in the day on Sunday!!**

I would like to thank everybody for all the support with the Blazing Saddles youth bake sale, both Buyers and Bakers. It was a huge success. I would like to thank Bonnie Abraham for running the sale all weekend, without her it wouldn't have been possible. In addition, I would like to thank Julia Baca, who along with Bonnie helps all of us raise money and keep our club going. Our club would not be here if it weren't for their combined efforts. Thank you to everyone that has supported us, we **greatly** appreciate it. Roger Brandt.
