From the President:

We have had a very successful year in 2010 and it could not have been possible without all of the cutters that made the effort to attend our shows. We ended on a pretty strong note, with 74 horses working on the last day. Not bad for a 1 day show. We have our shows set for 2011. Please make plans to attend and bring a trailer load of horses.

Our awards banquet was a lot of fun, attendance a little lighter than expected, but the ones there had a great time. In addition to all of the awards we auctioned a breeding to the great Third Cutting, courtesy of Carl and Shawnea Smith, that benefited the P.C.H.A. scholarship fund to the tune of \$4,250.00.

If anybody needs information or help with anything contact one of the officers or directors. They may not know, but they will help you find out. If you have suggestions for the shows do the same.

Sending a get well to Jake Baca. Jake had hernia surgery on November 5th. He is already up and around and doing great.

Good luck to all of our people going to Ft. Worth for the futurity!
