Gunkholers' Delight Cruise
Friday, May 14 to Sunday May 23, 2010**

Come join us in a flexible cruise, for both power and sail, during the beautiful month of May and enjoy some of the picturesque ports of eastern North Carolina. The Cruise Leaders are proposing the following list of ports to visit:

South River or Cedar Creek	Cedar Island
Slade Creek	Lower Broad Creek/River Dunes
Bath	Oriental
Campbell Creek or Bay River or Vandemere	

The fleet should plan to be together at South River (or Cedar Creek, to be determined at the Captains meeting) on Friday, May 14, in Bath on Sunday and Monday, May 16 and 17, and in Oriental on Friday and Saturday May 21 and 22. The dates and ports in between will be left to the discretion of each Captain. Perhaps most of us will agree to travel together or perhaps not. At our Captains' meeting we will further discuss travel details.

Please make your own reservations should you choose to dock in River Dunes and/or Oriental.

River Dunes: 252 670 5987, JC Topelman Dockmaster, or 800 975 9565.
