

Clubfoot Shakedown Cruise, Regatta, and Party

Wed & Thurs, April 2 & 3, 2008

Splash 1630

Dinner 1800

This event kicks off our boating season with a short cruise to find those things that need fixing before we begin our longer cruises. Since the weather is always unpredictable this time of year and most boats have to anchor out, we also encourage those who would prefer, to drive and join us. **This year, as in the past, we are having a Cruiser's Regatta on this Cruise.** This is a race for Sailors using GPS time for Start & Finish, allowing captains to start at their time of choice. Conditions permitting, races will be held both days.

For those coming by boat, details of the Cruiser's Regatta, navigation, anchoring and docking will be discussed at the

Captain's Meeting 1300 on Tues April 1 at the Community Center.

For those coming by car; Take Rt. 70 to Havelock. Take Rt. 101 east from Havelock for 7 Mi. and turn left onto Temples Point Rd. (small church on left) Continue 4 mi. to the end, which is the driveway to Matthews Point Marina. Maps and instructions are available at www.matthewspoint.com on the Location and Services tab. Allow approximately 45 minutes driving time. If you require further info, you may also attend the Captain's Meeting.

Remember to bring your DRINK OF CHOICE. We will supply ice, cups and napkins.

If your last name begins with A-L, bring appetizers for the splash before dinner.

Dinner is catered by Smithfield Barbecue and consists of Chicken, Barbeque & all the fixin's.

Please fill out and return the Reservation Form below together with \$9.00 per person for the catered dinner and facility cost, no later than **March 28** to one of the co-chairs listed below:
