

Parent Club Minutes  
December 18, 2007

Present: Lisa McWaters, Stephanie Boers, Rey Urbach, Karen Wilson, Paul Meyers,  
Tammy Forsell

The meeting was called to order at 7:00 p.m.

Approval of Minutes

Karen made a motion to approve the Nov. 13, 2007 minutes, which Tammy seconded.

Treasurer's Report

Karen provided the Treasurer's report. The ending balance was \$5,310.65.

Old Business:

- a. *Goals for the year*  
Science Night in March. Paul will confirm with Dave Haller if March 13 is a "go." Lisa asked for a sub-committee to hold an official meeting and let the group know what help they need. Rey, Stephanie and Karen will be the sub-committee. Rey agreed to check in with NASA now to see if a space suit is available. This would be a draw for the fair.
- b. *Candle Fund Raiser*  
Tammy reported that we sold 95 crème brulee, 57 peppermint, 100 apple, 58 blackberry, 118 orange peel and 50 raspberry candles. It was a very successful event for the Parent Club. Karen noted that we could host a "last minute Christmas gift" table with candles, cookbooks and sweatshirts during the evening Christmas production to try to sell remaining inventory of these items. The group agreed and Tammy volunteered to staff the event.
- c. *New Fundraisers*  
Paul was asked to put a March T-shirt fund raiser on the February agenda.
- d. *Christmas Tree Partnership*  
There is no more news at this time. Nilsen's has at least broken even on the Christmas tree sales. The school did provide advertising and promotion through flyers sent home with students and a notice in the Enterprise.

New Business:

- a. *Ice Cream Party for Mrs. Currier's class*  
Paul mentioned that the Ice Cream party to celebrate Mrs. Currier's class as the winners of the Candle Fund Raiser contest will be on Wednesday (12/19). Tammy and Rey volunteered to support the event. Rey will buy whipped cream and Tammy will get qty. 3 half gallon ice cream cartons.

Other

- a. *Paul mentioned that there is an opening on the School Board. He encouraged the group to consider the opportunity and to encourage others we thought would be good candidates.*
- b. *Rey noted that he would be interested in teaching a Robotics class in the 4<sup>th</sup> quarter and agreed to give Paul website details. Program costs are \$250-\$300.*

Lisa made a motion to adjourn the meeting at 8:30pm. Stephanie seconded the motion.
