E-scrip Update

The last Parent Club membership/eScrip membership drive was discussed. There was almost no response to the flyers that went home with a promise of a popsicle party to the class bringing in the most new members. It was decided that there would be no party due to the meager response and that we would reassess membership drive options in May to apply to next school year.

Goals

1. Science Night in March
2. Cultural diversity ~ Lisa agenda for next meeting
3. 3 Sandwich boards for posting announcements. Melody will check on possible city ordinance restrictions.

T-Shirts

A flyer was sent home and orders for \$1863.00 were received. About 20% extra were ordered. The estimated cost is from \$2200-\$2300 and Paul will need a check from Karen. Paul will follow-up with Karen and give her the invoice information. The shirts will arrive the week after Thanksgiving. Discussion of delivering shirts on Wednesday afternoon – Nov. 30.

Candle Fundraiser

The order needs to be in by next weekend for delivery before Christmas. A flyer has been sent out. Candles will be sold for \$10.00 each and our cost is \$6.00 per candle giving us a profit of \$4.00 per candle sold. The candle sale has rewards attached with an ice cream party promised for the class having the most sales.

Christmas Tree Sales

Discussion of non-sale this year. Some teachers were surprised that Parent Club is not selling trees. A flyer is wanted to announce the change and that trees can be bought at Nilsen's. An unknown % tree sale's profit will be donated by Nilsen's to FES. Nilsen's will put an ad in the Enterprise and a flyer will go home with the students. Melody will make the flyer.
