

Ferndale Elementary School  
Parent Club Meeting  
Of  
December 16, 2008

The meeting was called to order by President Shelley Bower at 7:10pm.

Present were: Paul Meyers, Shelley Bower, and Tammy Forsell.

The minutes of the October meeting were reviewed, but were not able to be voted on due to the insufficient number of members present to vote.

Treasurer's Report: Tammy Forsell presented the Treasurer's Report. We made \$1,113.75 on the candle sale, and have 17 candles left over. When those are sold, we should have a profit of \$1,283.75. Checks were written to: Stephen's Candlerly \$1836.25, Capstone Press Inc for sweatshirts \$503.34, Fin'N Feather Pet Shop, \$263.00, and Rhonda Evans for Love & Logic Training, \$1500.00. Our ending balance is \$8,463.19.

Old Business:

\*\*Candles- it was decided to give our office ladies, Becky and Jeanette, each a candle. Mrs. Currier's 4/5<sup>th</sup> grade class won the candle sale contest with 58 candles sold. They will be having an ice cream party! Mrs. Fisk-Becker's 5<sup>th</sup> grade class came in second with 41 candles sold, and third place went to Mrs. Bugenig's 3<sup>rd</sup> grade class with 31 candles sold.

\*\*Sweatshirts- the sweatshirt order is in and they all look great. We still have extras to sell.

\*\*Books for the Library- Boynton/McCulloch- the books are in and are being used. They are very popular.

\*\*Parenting classes are again going to be offered, and CR is hoping to work something out with the Ferndale Children's Center so that childcare could be provided during the next session.

New Business:

\*\*Parent Club Logo- passed, due to lack of members present.

\*\*Recycling- our number at Eel River Disposal is #112. Anyone is able to use this number and have the proceeds from their recycling go to Ferndale Elementary.

\*\*Dot com address for website- Disregard, no action taken.

Other

\*\*Swim Night in Scotia- The cost is \$140.00 for a family fun night. This will be discussed further at our next meeting.

\*\*Mr. Meyers said that there is a really neat video about rocks out there made by a gentleman who recently did a presentation in Mrs. Busick's 6<sup>th</sup> grade class. If we are interested in purchasing one for the school, this would be a good one. This will be discussed further at our next meeting also.

\*\*Mr. Meyers reminded everyone that the Aerial Predators presentation is scheduled for January 9, 2009 at 8:45am in the gym.

Announcements: The next scheduled meeting is Tuesday, January 20<sup>th</sup> at 7:00pm.

The meeting was adjourned at 8:00pm.

Respectfully Submitted,

Laurie Guggenbickler
